

# JBL ON TOUR™ iBT

High-performance portable sound system with *Bluetooth*® technology

Enjoy your music, movies or games anywhere wirelessly with *Bluetooth*® technology. Chat hands-free with the built-in speakerphone. View your iPad or tablet media player in portrait or landscape mode with the included tabletop stand. The battery-powered JBL On Tour™ iBT wirelessly pairs with any *Bluetooth*-enabled device — iPad, iPhone, iPod touch, smartphone, MP3 player, laptop or desktop — for clean, powerful JBL® sound anywhere. It also connects directly to virtually any audio device with a stereo mini-jack. The JBL On Tour iBT features four Odyssey® full-range neodymium transducers with computer-optimized DSP equalisation for a richly detailed, 360-degree soundstage, and true portability in a compact design. JBL On Tour iBT uses the latest *Bluetooth* technology optimised for use with Apple devices for higher quality wireless streaming. Share your music with friends wherever life takes you – with the JBL On Tour iBT.
