

EVEREST ELITE 100

In-Ear Wireless NXTGen Active Noise Cancelling Headphones

Your Sound Your Way.

Featuring the first ever wireless NXTGen Active Noise Cancelling technology for in-ear headphones, JBL EVEREST™ ELITE 100 combines the immersive experience of active noise-cancelling with the ability to control the amount of outside noise to let in, giving you the power to balance awareness of your surroundings with your listening experience, all with the simple press of a button. With Bluetooth 4.0 for wireless connectivity, an ergonomic earpiece for unprecedented fit and comfort, and a 6-hour rechargeable battery, this is the ultimate feature package in an on-the-go design. A built-in microphone allows for easy call access.

Features

- ▶ Bluetooth 4.0
- ▶ Legendary JBL Pro Audio Sound
- ▶ Best-In-Class Ergonomics
- ▶ Exclusive NXTGen Active Noise Cancelling
- ▶ My JBL Headphones App
- ▶ Built in Microphone

EVEREST ELITE 100

In-Ear Wireless NXTGen Active Noise Cancelling Headphones

Features and Benefits

Bluetooth 4.0

Connect to any Bluetooth-enabled device for amazing sound quality without the hassle of wires.

Legendary JBL Pro Audio Sound

Enjoy the same elevated experience and incredible sound JBL has been delivering to concert halls, studios and living rooms for almost 70 years.

Best-In-Class Ergonomics

These headphones are ergonomically designed to fit the unique contour of your ears. You'll experience unprecedented comfort. Listen longer and enjoy it more.

Exclusive NXTGen Active Noise Cancelling

For the first time, JBL combines the immersive experience of noise-cancelling technology and lets you control the amount of outside noise to let in. So you have the power to balance awareness of your surroundings with your listening experience with the simple press of a button.

My JBL Headphone App

Get even more control and personalization of your listening experience with this free App. Through your mobile device, you can customize settings for NXTGen Active Noise-Cancelling levels, create custom EQ settings, and access all other headphone settings and features.

Built in Microphone

Built in microphone with echo cancellation technology delivers natural sounding calls.
