

# JBL TEMPO™ SERIES HEADPHONES

In-ear, ear-bud and on-ear headphones with high-performance drivers for clear, powerful sound

JBL Tempo™ Series headphones deliver the inimitable JBL® sound in three different, lightweight styles: in-ear, ear bud and on-ear. High-performance drivers produce accurate, high-output sound with outstanding frequency response. Foam cushions, silicone sleeves and padded ear cups ensure that JBL Tempo ear buds, in-ear and on-ear headphones, respectively, are as comfortable as they are powerful.

Case:	JBL carrying pouch

Finish:

# JBL TEMPO™ SERIES HEADPHONES

In-ear, ear-bud and on-ear headphones with high-performance drivers for clear, powerful sound

## HIGHLIGHTS

**High-performance drivers** – From the in-ear 9mm to the ear bud 15mm and onto the on-ear 40mm, Tempo headphone drivers generate an outstanding frequency range of 20Hz to 20kHz. The resulting response is clear, powerful JBL sound with exceptional bass and smooth vocals.

**Padded headband and ear cups** – JBL Tempo on-ear headphones have an adjustable, padded headband and padded ear cups that self-adjust for alignment. You'll be well-adjusted for a comfortable, longer listening experience.

**Folding, closed-back ear cup** – The JBL Tempo on-ear headphone ear cups fold flat when you're not using them, making the headphones easy to transport and store. The closed-back design provides a more private listening experience.

**Latex-free silicone sleeves** – Three pairs of sleeves in sizes small, medium and large are included with the JBL Tempo in-ear headphones. The size choices maximize ear-canal comfort, while the sleeves block most outside noise.

**Foam cushions** – A pair of foam cushions are included with the JBL Tempo ear buds. These cushions enhance comfort, which can let you listen longer without fatigue.

**JBL carrying pouch** – Award-winning sound is worth protecting. In-ear and on-ear JBL Tempo headphones come with protective carrying pouches, which can also keep silicone sleeves or foam cushions from getting lost.
