

# C-SERIES

In-ceiling and in-wall loudspeakers

## Speakers blend in. Your music stands out.

Introducing the JBL C-Series in-ceiling loudspeakers. Designed with paintable grilles to blend into your décor and crafted for wide sound dispersion, the JBL C-Series loudspeakers feature a modern, virtually invisible design, powerful JBL Signature sound and are easy to install. Built to last with quality materials including a moisture-resistant design, which are perfect for bathroom installations, the JBL C-Series loudspeakers also deliver high power handling and sensitivity for full sound.

## Features

- ▶ Powerful JBL sound quality
- ▶ Easy installation
- ▶ Paintable grille
- ▶ Moisture-resistant
- ▶ High-power handling and sensitivity
- ▶ Wide sound dispersion

# C-SERIES

In-ceiling and in-wall loudspeakers

## Features and Benefits

### Powerful JBL sound quality

Immerse yourself in an amazing room-filling audio experience.

### Easy installation

The standard 'dog-leg' brackets save installation time and provide a sturdy, reliable fit.

### Paintable grille

The paintable grille makes the speakers virtually invisible, seamlessly blending them into the room decor.

### Moisture-resistant

Built to last with high quality materials for many home applications.

### High-power handling and sensitivity

Full sound without the need for a lot of power.

### Wide sound dispersion

Experience room filling audio regardless of what angle the speakers are installed.

## What's in the box:

- Main unit
- Grille
- Paint shield
- Owner's manual
- Wall cut-out template
- Warranty card
