QUANTUM 50N

Wired in-ear gaming headset with volume slider and mic mute

Features and Benefits

JBL QuantumSOUND Signature

With 8.6mm drivers powered by JBL QuantumSOUND Signature, hear enemies (and friends) like never before. Throw yourself into another world of mobile console gaming. Pick up the smallest sound details. Play to dominate.

Absolute control with volume slider and mic mute

When you're in the zone, you're in the zone. No more fiddly controls. With a separated master volume slider, mic mute and multi-function button, let's keep things simple.

Inline Voice-Focus microphone

Optimized for multi-player gaming. The microphone is close to the mouth and separated from the other controls, giving you superior voice pickup.

Twistlock™ technology for comfort and stability

You're in this for the long haul. With a combination of JBL patented ergonomic technology and ultra-soft silicone giving a super secure fit, the longest gaming sessions will fly by.

Multiplatform compatibility.

Made for mobile, the JBL Quantum 50N is compatible with all platforms: PC, Mac, Xbox ONE, PlayStation 4 and 5, Nintendo Switch, Xbox Series X|S, mobile and VR. Whatever and however you play, easily plug into another world.
