

EVEREST ELITE300

On-Ear Wireless NXTGen Active Noise Cancelling Headphones

Sound brought to a New Standard.

JBL EVEREST™ ELITE 300 is legendary sound brought to a new standard. Bluetooth 4.0 enables wireless connectivity while new NXTGen Active Noise Cancelling Technology combines the immersive experience of active noise-cancelling with the ability to control the amount of outside noise to let in, giving you the power to balance awareness of your surroundings with your listening experience. With legendary JBL Pro Audio sound delivering a dynamic acoustic experience, sculpted ear cushions providing unprecedented fit on your ears, a 10-hour rechargeable battery, and TruNote™ Auto Sound Calibration, now you can enjoy ultimate comfort, freedom and personalization. A built-in microphone allows for easy call access.

- ▶ TruNote™ Auto Sound Calibration
- ▶ Auto Off
- ▶ My JBL Headphones App
- ▶ Built in Microphone

EVEREST ELITE300

On-Ear Wireless NXTGen Active Noise Cancelling Headphones

Features and Benefits

Bluetooth 4.0

Connect to any Bluetooth-enabled device for amazing sound quality without the hassle of wires.

Legendary JBL Pro Audio Sound

Enjoy the same elevated experience and incredible sound JBL has been delivering to concert halls, studios and living rooms for almost 70 years.

Best-In-Class Ergonomics

These headphones are ergonomically designed to fit the unique contour of your ears. You'll experience unprecedented comfort. Listen longer and enjoy it more.

Exclusive NXTGen Active Noise Cancelling

For the first time, JBL combines the immersive experience of active noise-cancelling technology and lets you control the amount of outside noise to let in. So you have the power to balance awareness of your surroundings with your listening experience with the simple press of a button.

TruNote™ Auto Sound Calibration

Be blown away by the cleanest, most authentic version of your music that you've ever heard. With the press of a button, TruNote Technology automatically calibrates the sound of the headphones uniquely for you.

Auto Off

Experience greater simplicity and a longer battery life with the auto off feature which powers the headphones off automatically when not in use.

My JBL Headphones App

Get even more control and personalization of your listening experience with this free App. Through your mobile device, you can create custom EQ settings and access all other headphone settings and features.

Built in Microphone

Built in microphone with echo cancellation technology delivers natural sounding calls.
